REPORT.

To His Excellency EUGENE N. FOSS, Governor.

SIR: — In compliance with the laws of the Commonwealth, the Board of Registration in Pharmacy has the honor to submit the following report: —

During the year, 550 candidates have presented themselves for examination. One hundred and eleven of them have received certificates as registered pharmacists, and 185 have received certificates as assistants.

The financial status of the drug trade is not as good as might be desired, but it is doubtless no worse than business in general. During the past year, in those cities where large incorporated stores have located with advertised cut prices, the small druggist seriously feels their effect.

In 1908 the Board recommended for the safety of the public that the unregistered partner or unregistered stockholder should take no active part in the conduct of the retail drug business. The recommendation of the Board as enacted by the Legislature omitted the unregistered stockholder. As it is illogical that an unregistered stockholder should be allowed to do that which an unregistered copartner cannot do, we would recommend that the act be amended to conform with its original intention.

There has developed some confusion as to what constitutes a certificate of fitness, as provided for by chapter 281, Acts of 1906, and its connection with the sale of alcohol, as provided for in chapter 190 of the Acts of 1907. We would therefore recommend that chapter 281 of the Acts of 1906 be amended, and some other name than "certificate of fitness" be substituted to remove any ambiguity that may exist, and that chapter 190 of the Acts of 1907 be amended to conform with such change.

We would again recommend biennial compulsory reregistration of all pharmacists doing business in this Commonwealth.

This reregistration must not be confounded with re-examination, as it has nothing to do with it. Every State in the Union, with few exceptions, compels reregistration, some annually, some biennially, some triennially. We have some 5,600 pharmacists who have been registered since 1885. How many are actively engaged in the business at the present time we do not know and have no way of knowing, except by compulsory reregistration.

We would again recommend that all retail drug stores shall at all times when open for business be under the personal supervision of a registered or assistant-registered pharmacist, and that the Board of Registration in Pharmacy be empowered to prosecute any person in charge of such retail drug store, not under such personal supervision, as a person doing a drug business not being registered, and that the penalty provided for in section 18, chapter 76, shall be the punishment therefor.

Respectfully submitted,

WILLIAM S. FLINT.
PETER J. McCORMICK.

CHARLES F. RIPLEY.

By operation of law the term of Irving P. Gammon expires with this report. For the past five years Mr. Gammon has not only taken a deep interest in the affairs of this Board, but has been active in the work of the National Association of Boards of Pharmacy, serving as delegate at Richmond, Va., in 1910, and at Denver, Col., in 1912, at which latter meeting he was elected as vice-president of the association. It is with regret that we part with his valuable services.

Respectfully submitted,

WILLIAM S. FLINT.

REPORT OF DELEGATE TO NATIONAL ASSOCIATION OF BOARDS OF PHARMACY.

To the Members of the Massachusetts State Board of Pharmacy, Boston.

As a representative of the Massachusetts Board of Registration in Pharmacy, at the convention of the National Association of Boards of Pharmacy at Denver, Col., Aug. 20 to 24, 1912, I submit the following report:—

The meeting was called to order by the president, R. H. Walker of Texas. The report of the committee on credentials showed that an unusually large number of delegates were present, representing nearly every State in the Union. President Walker delivered a very forcible address, which was referred to a committee of which the member from Massachusetts was chairman.

The committee on questions and methods reported. The report contained much information as to the work being done by the association.

The secretary of the Illinois Board of Pharmacy introduced a set of resolutions fixing the minimum and average grades for successful examinations as a basis for reciprocal registration. The gentleman from Illinois contended that 78 per cent. should be the average and 60 the minimum per cent. This was not adopted by the members, and 75 per cent. still remains the average upon the whole and 60 per cent. in any one subject.

The resolution providing a \$5 fee to be paid by the candidate to the National Association of Boards of Pharmacy, and that an advisory committee be appointed by the president, whose duty it shall be to visit the several boards at their examinations with view of bringing about greater uniformity in methods, was adopted by the association. The expense of this committee is to be paid out of the \$5 fees, it being shown by the treasurer's report that sufficient funds can be collected. 300 reciprocal registrations being recorded in the year just closed.

The committee on legislation reported a scheme to establish a National Board of Examiners through which a national certificate is to issue, good in all the States. This means, of course, that the candidates must be graduates in pharmacy and comply in all respects with the most advanced ideas of registration.

The committee of reciprocity with Cuba reported progress, and felt that the same can be brought about in a short time.

The president in his address made many recommendations, and several days were spent in discussing them. It was the general opinion of the members present that more attention should be paid to the applicant for examination, and that he should be required to have not only a high-school training, but be a graduate in pharmacy before making application for examination. The president recommended that a separate examination be given for the assistant pharmacist, and the applicant should be at least twenty years of age.

I am heartily in favor of this method of examining the assistant pharmacist, and hope that this recommendation may be adopted by all the boards.

I recommend that we continue our membership in this association, and that a member be sent to represent the Massachusetts Board at Nashville, Tenn., where the next meeting will be held.

Respectfully,

IRVING P. GAMMON.

LAWS RELATING TO PHARMACY.

CHAPTER 76, REVISED LAWS.

REGISTRATION OF PHARMACISTS.

SECTION 10 (as amended by section 3, chapter 261, Acts of 1909). There shall be a board of registration in pharmacy consisting of five persons, residents of the commonwealth, who shall be skilled pharmacists, and shall have had ten consecutive years of practical experience in the compounding and dispensing of physician's prescriptions, and shall be actually engaged in the drug business. Not more than one member shall have any financial interest in the sale of drugs, medicines and chemicals, and the compounding and dispensing of physician's prescriptions in the same councillor district. One member of said board shall annually in November be appointed by the governor, with the advice and consent of the council, for a term of five years from the first day of December following, and no person appointed after the twenty-fifth day of June in the year eighteen hundred and ninety-nine shall serve as a member of said board for more than five consecutive years. The members of said board at the time of the enactment hereof, and any member thereafter appointed to fill a vacancy, who are holding office at the expiration of their official terms, shall continue in office until the first day of December following.

ment, etc.

SECTION 11 (as amended by section 4, chapter 261, Acts of 1909). Said board shall meet on the first Tuesday of December in each year at such time and place as it may determine and shall organize by electing a president and secretary, who shall be members of the board and who shall hold their offices for the term of one year. The secretary shall give to the treasurer and receiver general a bond with sufficient sureties, to be approved by the governor and council, for the faithful performance of his official duties. The board shall annually hold regular meetings on the first Tuesday of January, May and October, and additional meetings at such times and places as it shall determine.

Travelling
expenses, etc.

(Sections 4 and 5, chapter 505, Acts of 1902.) Each member of the board shall receive in addition to his salary his necessary travelling expenses actually incurred in attending the meetings of the board. The salaries and expenses of the members of the board shall be paid out of the treasury of the commonwealth. The fees received for examination and registration of applicants before the board of registration in pharmacy shall be paid monthly by the secretary into the treasury of the commonwealth.

SECTION 13. The board shall keep a record of the names of all persons examined and registered hereunder and of all money received and disbursed by it, and a duplicate thereof shall be open to inspection in the office of the secretary of the commonwealth. Said board shall annually, on or before the first day of January, make a report to the governor and council of the condition of pharmacy in the commonwealth, of all its official acts during the preceding year and of its receipts and disbursements.

tion as a
pharmacist.

SECTION 14 (as amended by section 3, chapter 525, Acts of 1908). A person who desires to do business as a pharmacist shall, upon payment of five dollars, be entitled to examination, and if found qualified shall be registered as a pharmacist and shall receive a certificate signed by the president and secretary of said board. Any person who fails to pass such examination shall upon request be re-examined after the expiration of three months at any regular meeting of the board, upon the payment of three dollars. The board of registration in pharmacy may grant certificates of registration as assistants after examination upon the terms above named, but such certificates shall not allow the holder thereof to carry on the business of pharmacy. The said board may, in its discretion, grant certificates of registration to such persons as shall furnish with their application satisfactory proof that they have been registered by examination in some other state: *provided*, that such other state shall require a degree of competency equal to that required of applicants in this state. Every applicant for registration as a registered pharmacist shall pay to the secretary of the board the sum of ten dollars at the time of filing the application. No certificate known as the reciprocity certificate shall be granted until the person so applying shall have signified his intention of acting under the same in this commonwealth. All fees received by the board shall be paid by its secretary into the treasury of the commonwealth.

The board shall hear all applications by registered pharmacists for the granting of sixth class licenses, if a hearing is requested by the applicant, and all complaints made to them against any person registered as a pharmacist charging him in his business as a pharmacist with violating any of the laws of the commonwealth, and especially of the laws relating to the sale of intoxicating liquors; or engaging with, or aiding or abetting, another in the violation of said laws; or, if he himself is not the owner and actively engaged in such business, with suffering or permitting the use of his name or certificate of registration by others in the conduct of the business of pharmacy. Such complaint shall set out the offence alleged and be made within fifteen days after the date of the act complained of, or within thirty days after a conviction by a court of competent jurisdiction. The board shall notify the person complained against of the charge against him and of the time and place of the hearing at which he may appear with his witnesses and be heard by counsel. Three of the members of the board shall be a quorum for such hearing. Witnesses at hearings before such board shall testify under oath and may be sworn by a member of the board. The board shall have power to send for persons and compel the attendance of witnesses at said hearings.

SECTION 17 (as amended by chapter 321, Acts of 1902). If the full board sitting at such hearing finds the person guilty, the board may suspend the effect of the certificate of his registration as a pharmacist for such term as the board fixes, but the license or certificate of registration of a registered pharmacist shall not be suspended or revoked for a cause punishable by law until after his conviction by a court of competent jurisdiction. (Chapter 261, section 5, Acts of 1909: The board may suspend the certificate of registration of a registered pharmacist, who, in its judgment, is a menace to the public by reason of the improper use of intoxicating liquor or drugs, such suspension to be made only after a hearing, and by the unanimous vote of all the members of the board.) The board may at any time in its discretion reconsider its action in cases where it has suspended or revoked the license or certificate of registration of a pharmacist, and may change its determination as justice shall require.

But the provisions of this section shall not prohibit the employment of apprentices or assistants under the personal supervision of a registered pharmacist. Every registered pharmacist engaged in the business of pharmacy shall cause his name to appear on every sign indicating or advertising his place of business and on every label used for medicinal preparations compounded in his place of business. No unregistered copartner shall hereafter be actively engaged in the business of pharmacy; but this provision shall not apply to those engaged in the business at the time of the enactment hereof.

SECTION 21. A registered pharmacist against whom a complaint or charge is pending before the board, or his counsel shall have the same right of access to documents in the possession of said board as a person who is charged with crime in the courts of the commonwealth would have to documents in the possession of the clerk of the court or of the prosecuting officer.

SECTION 23 (as amended by chapter 327, Acts of 1902, as amended by section 3, chapter 525, Acts of 1908, as amended by section 1, chapter 172, Acts of 1910). The provisions of sections twenty-one to twenty-nine, inclusive, of chapter one hundred, section twenty-six of chapter seventy-five and section two of chapter two hundred and thirteen shall not apply to physicians who put up their own prescriptions or dispense medicines to their patients; nor to the sale of drugs, medicines, chemicals or poisons at wholesale only; nor to the manufacture or sale of patent or proprietary medicines; nor to the sale by merchants at retail of the following drugs and chemicals used in the arts, or as household remedies:—alum, ammonia, bicarbonate of soda, borax, camphor, castor oil, chlorinated lime,

Whoever not being a registered pharmacist, sells, or offers for sale, at retail, drugs, medicines, or poisons, other than those enumerated above, shall be punished by a fine not exceeding fifty dollars. The widow, executor or administrator of a registered pharmacist who has died or the wife of one who has become incapacitated may continue his business under a registered pharmacist, who may also be considered qualified to receive a sixth class license to be exercised upon said premises of said deceased or incapacitated pharmacist under the registered licensee's personal supervision. The provisions of section twenty-two of chapter one hundred, so far as they may be inconsistent herewith, shall not apply to licenses issued hereunder.

SECTION 2. Ale, porter, strong beer, cider, all wines, any beverage which contains more than one per cent of alcohol, by volume, at sixty degrees Fahrenheit, and distilled spirits, shall be deemed to be intoxicating liquor within the meaning of this chapter.

Definition of
intoxicating
liquor.

SECTION 16. The licensing board may at any time refuse to issue a license to a person whom it considers unfit to receive the same; but the provisions of this chapter shall not be so construed as to compel said licensing board to grant licenses.

Licenses may
be refused to
unfit persons.

SECTION 17. Each license shall be expressed, to be subject to the following conditions:—

Conditions of
licenses.

First, That the provisions in regard to the nature of the license, and the building in which the business may be carried on under it, shall be strictly adhered to.

Sales prohibited certain hours and Lord's day.

Second, That spirituous or intoxicating liquor shall not be sold between the hours of eleven at night and six in the morning or on the Lord's day; but if the licensee is also licensed as an innholder he may, between the hours of six in the morning and eleven at night on the Lord's day, supply such liquors to guests who have resorted to his inn for food and lodging.

Quality of liquor.

Third, That spirituous or intoxicating liquor shall not be sold, exchanged or delivered, or exposed, offered or kept for sale, exchange or delivery, upon the licensed premises, unless it is of good standard quality and is free from any adulteration prohibited in the Pharmacopœia of the United States or by the laws relative to adulteration of drugs and food, for either a food or a drug. If it is marked, labelled or represented as being the product of any foreign country, it shall also be of the standard quality required for its legal sale for domestic use in the country of its reputed production. All such liquors which are sold, exchanged or delivered, or which are exposed or kept for sale, exchange or delivery, under a license of the sixth class, shall be of the quality required for their sale as drugs under the provisions of the laws relative to the adulteration of drugs and food.

Sales prohibited to certain persons.

Fourth, That liquor shall not be sold or delivered on the licensed premises to a person who is known to be a drunkard, to an intoxicated person, or to a person who is known to have been intoxicated within the six months last preceding, or to a minor, either for his own use, the use of his parents or of any other person, or, unless upon the prescription of a duly registered physician, to a person known to have been supported in whole or in part by public charity at any time during the twelve months last preceding the date of the license.

Conduct on premises.

Fifth, That there shall be no disorder, indecency, prostitution, lewdness, or illegal gaming on the licensed premises, or on any premises connected therewith by an interior communication.

License displayed.

Sixth, That the license, or a copy thereof, certified by the recording officer of the licensing board, or by the clerk of the city or town by which it is issued, shall be displayed on the premises, in a conspicuous position, where it can easily be read.

License subject to forfeiture.
